Time passes us by so swiftly leaving in its path memories and friends both to be cherished forever. The 1983 Lanthorn Staff would like to share with you the past that contributed to making Susquehanna University what it is today. Our theme "Time Passages" relives the days past at Susquehanna to the present which paves the way for our future . . .

DEDICATION:

Susquehanna University's Presidents

Gustave W. Weber (1959-1977)

Jonathan C. Messerli (1977-)

This year the 1983 Lanthorn Staff is proud to present the 1983 Lanthorn to all the past presidents of Susquehanna University. Without their leadership and expert guidance of our past presidents, Susquehanna would not have acquired such a distinguished reputation as a university. Each presi-

dent demonstrated true loyalty and devotion to Susquehanna's faculty and students. In recognition of their many accomplishments it is with pride we dedicate the 1983 Lanthorn to their memory.

Formative Years

(1858-1904) In 1858 tuition fee for a student was \$35, poor students from Selinsgrove were admitted free, and sons of ministers only paid half price. Dancing, liquor, and tobacco were frowned upon but there was always taffy pulling, reading circles, and checker tournaments. Every student's day began at 5 a.m. and ended at 10 p.m. The end of the era was marked by the construction of Seibert at a cost of \$12,000 and the designation of our school colors orange and maroon.

This year the Lanthorn staff has a special added feature to the faculty section. In keeping with our theme in saluting our 125th anniversary we have included an older picture of the faculty. (Remember that this has only been done to further illustrate our theme.)

Age of Expansion

(1905-1927) In this era Susquehanna experienced many physical changes. In 1903 the Alumni Gymnasium was completed. Four years later electricity was introduced to S.U. Steele Hall was built in 1912 and Hassinger was constructed in 1921. Gym courses were added to the curriculum and liberal arts became available as a major. Nearing the end of this era in 1924 Phi Mu Delta became the first fraternity at Susquehanna University.

Period of Consolidation

(1928-1958) In this era Susquehanna had their first undefeated football team in 1932. Between the years 1928 and 1958 the tuition was only \$180 a year but with inflation rose to \$500 in 1955. The gym burned down in 1933 and two years later was rebuilt. Theta Chi was founded at S.U. in 1942. Alpha Delta Pi and Kappa Delta were established in 1950 and later in 1957 Alpha Xi Delta was founded.

CROSS COUNTRY

The team opened the season with a 28-28 tie with the University of Scranton. From that point on they went undefeated compiling a 15-0-1 record in dual competition for the season. Along the way they defeated University of Scranton in a re-match 25-31 avenging the earlier tie. This was the first undefeated season ever by a Susquehanna University Cross Country Team.

Patrick's nanny is Agnes Gooch (Mary Muscarelli) a young woman who hasn't experienced life until Mame forces her to. Vera (Louise Tyler) is Mame's "best" friend. She is a very overdramatic actress, on and off the stage. Mame marries a dashing man from the south, Beauregard (Tim Sauers) but he ends up dying on their honeymoon. Patrick as a man (Tom Cianfichi) marries and Mame starts the cycle of raising his son. The play was directed and produced by Mr. Larry Augustine, chairman of the Communications/Theatre Arts department.
